Hey Bill,

Attached is an update CEF for CFAC. This is what changed:

1. <!--[if !supportLists]--><!--[endif]-->Removed 1 bullet from **News**  
[EPA adds Columbia Falls Aluminum Company site to Superfund list](#)
2. <!--[if !supportLists]--><!--[endif]-->Added public meetings in **Public participation opportunities**.

EPA will attend two public meetings in Columbia Falls MT and talk about the CFAC site.

- <!--[if !supportLists]--><!--[endif]-->[City of Columbia Falls Council Meeting](#)
  - <!--[if !supportLists]--><!--[endif]-->Monday, April 17, 2017 @ 7:00 pm
  - <!--[if !supportLists]--><!--[endif]-->City Council Chambers, City Hall, 130 6th St West, Columbia Falls Montana 59912.
- <!--[if !supportLists]--><!--[endif]-->[CFAC Community Liaison Panel Meeting](#)
  - <!--[if !supportLists]--><!--[endif]-->Wednesday, April 19, 2017; @ 6 pm
  - <!--[if !supportLists]--><!--[endif]-->Columbia Falls High School Cafeteria, 610 13th Street W., Columbia Falls, MT 59912.

There are 3 links embedded in the public meetings. Since we would need to EXIT after each, I'll leave it to your discretion to keep them in or not or if you want to modify the other content – I defer to you.

Like a broken record, thanks for all your help Bill!
